PETITION TO THE HOUSE OF COMMONS IN PARLIAMENT ASSEMBLED

Declaration of Support for Proportional Representation

We the undersigned, residents of Canada, draw the attention of the House to the following:

THAT, WHEREAS the Prime Minister committed in the last election campaign to ensure the 2015 election would be the last one conducted under the first-past-the-post electoral system in order to ensure that *every vote counts*,

WHEREAS the 2016 Speech from the Throne repeated that commitment,

WHEREAS only the first-past-the-post, winner-take-all system, makes it possible for a minority of voters to elect a majority of seats, thus allowing a minority of voters to deliver 100% of the power to one of the five main parties in Canada; and

WHEREAS a system of proportional representation is best suited to replace the outmoded first-past-the-post system and ensure that every vote counts;

THEREFORE, YOUR PETITIONERS call upon the House of Commons to immediately start the process of amending the Canada Elections Act, and implementing a suitable form of proportional representation in time for the next federal election.
